PROFESSIONAL SUMMARY

Frontend Developer Intern / Junior Web Developer based in Astana, focused on React, Next.js, TypeScript, and responsive web applications. Built and deployed live student projects with authentication, protected routes, database integration, reusable UI components, and Vercel deployment. Currently studying Big Data Analytics at Astana IT University and seeking a frontend internship or junior developer opportunity.

TECHNICAL SKILLS

Frontend

React, Next.js, TypeScript, JavaScript, Tailwind CSS, shadcn/ui

Tools

Git, GitHub, Vercel, Vercel deployment, VS Code

Backend & Databases

Supabase, MongoDB, Better Auth, REST API basics, CRUD flows, Database schema

Currently learning

Go, Backend API design, Data analytics

PROJECT EXPERIENCE

Project Experience

2024 - Present

- Built and deployed student web applications using Next.js, TypeScript, Supabase, MongoDB, and Vercel.
- Owned routing, responsive UI, reusable components, authentication flows, and database-connected CRUD features.
- Maintained source code on GitHub with live demos, project screenshots, and public repositories.

PROJECTS

Qoldanba — Student Adaptation Platform

A student adaptation platform for first-year students to view schedules, deadlines, and academic resources in one interface.

Tech: Next.js, React, TypeScript, Tailwind CSS, shadcn/ui, Supabase

Live Demo: qoldanba.vercel.app · GitHub: github.com/arlan-6/qoldanba

- Built a responsive platform for first-year students to access schedules, deadlines, and academic resources.
- Implemented Supabase authentication, protected routes, and database-connected content.
- Created reusable UI components and deployed the project on Vercel.

Shaqr — Online Invitation Management Platform

A full-stack web app for creating and sharing digital invitations.

Tech: Next.js, React, TypeScript, Tailwind CSS, shadcn/ui, MongoDB, Better Auth

Live Demo: invitestry2.vercel.app/ · GitHub: github.com/arlan-6/invites

- Built a web app for creating, managing, and sharing digital invitations.
- Developed event forms, invitation preview pages, and responsive user flows.
- Integrated Better Auth and MongoDB for authentication and persistent invitation data.

LEADERSHIP & ACTIVITIES

Digital Committee Member — Student Association, AITU

2026 - Present

- Participate in the digital committee focused on student-facing digital initiatives.
- Support early-stage planning and coordination of digital projects.
- Collaborate with other students on ideas for university digital services.

EDUCATION

Astana IT University, Astana — Bachelor's Degree in Big Data Analytics

09/2025 - Present | Expected graduation: 2029

- Coursework: programming, databases, data analysis, information processing.
- Continuing frontend practice with React, Next.js, Tailwind CSS.
